INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Connecticut Children's Museum, Inc.
22 Wall Street
New Haven, CT 06511

I have audited the accompanying statement of financial position of **Connecticut Children's Museum, Inc.** as of August 31, 2012, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. My responsibility is to express an opinion on these financial statements based on my audit.

I concluded my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Connecticut Children's Museum, Inc.** as of August 31, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Connecticut Children's Museum, Inc.
Notes to Financial Statements
August 31, 2012

NOTE 1 - NATURE OF ACTIVITIES

Nature of Activities - The Connecticut Children's Museum, Inc. (The Organization) designs and implements innovative and inclusive programs for children, their families and teachers. Programs include Connecticut Children's Museum, and experiential and educational museum and learning center for the early childhood and elementary education community; Creating Curriculum, and early childhood education quality enhancement training program which uses the structure of a children's museum and the program model of multiple intelligence's; and the Creating Kids Child Care Center, a full time child care center serving area families through the development of an inclusive community and an innovative curriculum inspired by the theory of multiple intelligence's.

NOTE 2 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Promises to Give - Contributions are recognized when the donor makes a promise to give to The Organization, that is, in substance, unconditional. All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of support, revenue and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting - The financial statements of The Organization have been prepared on the accrual basis of accounting and accordingly reflect a significant receivable, payables, and other liabilities. Under the accrual method of accounting, revenue and support are recognized as incurred.

Financial Statement Presentation - Financial statement presentation follows the recommendation of the Statement of Financial Accounting Standards (SFAS) Number 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS 117, The Organization is required to report information regarding its financial assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Contributions - The Organization has also adopted SFAS No. 116, Accounting for Contributions Received and Contributions Made. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restriction.

Cash and Cash Equivalents - For purpose of financial statement presentation, The Organization considers all highly liquid investments with a maturity of three months or less to be cash equivalents. There were no cash equivalents on August 31, 2012.

Fixed Assets, Depreciation - Furniture, Fixtures, and equipment are stated at cost. Maintenance and repairs are charged to expense as incurred. Major improvements and betterments are capitalized. When assets are sold or otherwise disposed of, the cost and accumulated depreciation are removed from the respective accounts and the resulting gain or loss is reflected in the land, building and equipment fund.

Depreciation is computed on the straight-line method based on the estimated useful lives of the assets.

Connecticut Children's Museum, Inc.
Notes to Financial Statements

**NOTE 2 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES -
Continued**

Donated Assets - Donated marketable securities and other non-cash donations are recorded as contributions at their estimated fair value at the date of donation.

Income Taxes - The Organization is a not-for-profit organization that is exempt for income taxes under Section (501C3) of the Internal Revenue Code. For income tax purposes, Connecticut Children's Museum, Inc. is not classified as a private foundation.

Investments - The Organization has adopted SFAS No.1254, Accounting for Certain Investment Held by Not-for-Profit Organizations. Under SFAS No. 1254, Investments in marketable securities with readily determinable fair values are to be reported at their fair values for financial statement purposes. Unrealized gains and losses are included in the change in net assets.

Donated Property and Equipment and Services - Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. The Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, some individuals volunteer their time and perform a variety of tasks that assist The Organization with various educational programs and administrative tasks.

Donated services are recognized as contributions in accordance with SFAS No. 116, Accounting for Contributions Received and Contributions Made, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by The Organization. Volunteer services throughout the year are not recognized as contributions in the financial statements since the recognition criteria under SFAS 116 were not met.

Promises To Give - Unconditional promise to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

The Organization used the allowance method to determine uncollectable unconditional promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

NOTE 3 - NOTES PAYABLE

BANK CREDIT LINE # 1 - BANK OF SOUTHERN CONNECTICUT

The Organization obtained a \$100,000 commercial line of credit on December 18, 2002 with the Bank of Southern Connecticut. The outstanding balance on August 31, 2012 was \$40,105.67 with interest payable monthly at 8% per annum.

Connecticut Children's Museum, Inc.
Notes to Financial Statements
August 31, 2012

NOTE 3 - NOTES PAYABLE - Continued

NOTE PAYABLE #2 - AMERICAN EXPRESS

On August 31, 2011, The Organization loan balance was \$8,597.03 on its American Express gold corporate card for small business account. As the result of a requirement of grant funding, expenses are first paid by The Organization and later these program costs are funded by the grant. Therefore, The Organization uses the American Express Business Flex loan account to free up its cash flow grant expense payments. Balance due is usually paid in full on a monthly basis.

NOTE PAYABLE #3 - BANK OF SOUTHERN CONNECTICUT

On February 9, 2010, The organization signed a new loan with Bank of Southern Connecticut for \$360,000.00. This loan paid-off the balances owed to Bank of Southern Connecticut and is secured by the building. The balance owed as of August 31, 2012 was \$332,752.96. The monthly payment is \$2,850.79 with a variable interest rate of 6.5%.

NOTE PAYABLE #4 - DISCOVER

On August 31, 2012 The Organization loan balance was \$1,690.09 on its Discover credit card. It is paid in full monthly.

NOTE 4 - CASH

The total cash held by The Organization may at time exceed the amount covered by insurance provided by the federal government. It is the opinion of management that the solvency of the referenced financial institution is not of particular concern at this time.

NOTE 5 - RISK MANAGEMENT

The Organization is exposed to various risks of loss related to torts; theft or damage to and distribution of assets; errors and omissions; injuries to employees; and natural disasters.

The Organization maintains commercial insurance coverage for all risks of loss, including worker's compensation and employee health and accident insurance. Settled claims resulting from these risks have not exceeded commercial insurance coverage.

NOTE 6 - CONTINGENCIES

No suits or claims are pending against The Organization.

Connecticut Children's Museum, Inc.
Notes to Financial Statements
August 31, 2012

NOTE 7 - COMPENSATED ABSENCES

Employees are entitled to paid vacation and sick days depending on job classification, length of service, and other factors. It is impractical to estimate the amount of compensation for future paid sick days and time off. Accordingly, no liability for these amounts has been recorded in the accompanying financial statements. Company policy is to recognize the cost of compensated absences when actually paid to employees. Employees on salary are entitled to ten (10) sick days and four (4) weeks of vacation.

NOTE 8 - DEFERRED GRANT INCOME

Deferred grant income of \$34,798.00 is for funds paid in advance for future service to be rendered.
